Possibilities since 1961***

## Staging & Production

***Our professional staff is ready to assist you in planning the ideal presentation to meet your communication goals. We seek to understand the message you want to convey and then design a system to present that message in the most effective way. At the event, we focus on every detail of the presentation with the right people and the right equipment to impress your audience and deliver your message with clarity and impact.***

***CEAVCO serves clients nationwide including Hawaii and Alaska. Many meeting planners, event managers and corporate communication professionals take the worry out of their show by taking us with them wherever they go.***

## Trade Show & Convention

**Anyone who has been involved with planning a convention or trade show can tell you the importance of logistics. Making sure everyone has what they need, when they need it is our specialty. We will meet each presenter's need for reliable equipment and technical assistance.**

**We produce general sessions from concept to execution, supply break-out rooms with projectors, screens, audio systems, and support speakers with professional technicians. We also offer creative support with on-site recording and duplication.**

*"Our success can be attributed to the support provided by the CEAVCO team. Your extra step to ensure quality service and attention to detail is duly noted and allows us to produce professional and successful events. It is also an enjoyable experience working with your team of professionals."*

*— Charles P. Zimkas, Jr., Chief Operation Officer, Space Foundation*

## Equipment Rental

**CEAVCO prides itself in maintaining the best inventory of professional equipment in the Rocky Mountain Region. We are constantly updating our inventory to provide you with equipment that is not only state of the art, but also in excellent and reliable condition. All of our equipment is thoroughly inspected before every rental. Our inventory includes Sony professional video cameras and switchers, small to large-venue projectors, audio systems, lighting, truss, pipe and drape.**

**Regardless of whether your need is large or small, simple or complex, contact the professionals at CEAVCO Rental & Staging. We have someone on call 24 hours a day, 7 days a week (excluding some holidays).**

## Creative Services

**Our in-house Creative Services Department finds new ways to present your message with interesting and memorable graphics. We have the talent and software to capture your audience's attention and keep your audience informed and engaged.**

**Our professional people have all the tools they need to create the excitement and impact to get attention and hold it. Using graphics, lighting and set design, we create the visuals to suit your audience and message.**

*"CEAVCO's set design, lighting and event production support helped raise the profile of our management meeting to a whole new level. Attendees actually commented on how the enhanced audio visual components helped set the tone for a fabulous meeting."*

*— Lauren Schwartz, Events & Sponsorships Manager, Wells Fargo*

*"CEAVCO provides the professional solutions necessary to keep our events successful each year. Their equipment and personnel are among the best in the business."*

*— Kristi Audette, All The Details*

Audio Visual

**Sales • Systems Integration • Maintenance & Repair**

Our knowledgeable people plan, design, engineer, integrate and install audiovisual systems solutions for every type of communication challenge.

After our industry certified engineers have installed a system, they train the users and provide on-site maintenance on an as-needed or contract basis.

We provide carry-in service for major audiovisual equipment while under warranty and after.
